

Investment Project!

April 3, 2018

Your 100 point project will be to present a \$1000 investment proposal to me by April 12th. It must include the following:

1. Company name and description
2. Ticker symbol and share price (include number of shares)
3. Stock price history and analysts ratings
4. The reason you believe in this company

Please present your proposal in report form at least one page typed and formatted.

You should do lots of research before choosing.

- Try google finance, yahoo finance, etc.
